

Project Management Professional (PMP)[®] Certification

The PMP[®] certification is a globally recognized and respected credential, demonstrating a solid foundation of knowledge from which you can competently practice as a project manager, lead and direct project tasks and identify concrete directions in an efficient, quality and timely manner. It is highly recommended for those who lead and direct cross-functional teams to deliver projects within the constraints of schedule, budget, and scope. By obtaining this credential, you validate your commitment to the profession of project management

More about the certification: <http://www.pmi.org/>

PMI, Project Management Professional (PMP), PMP and PMBOK are registered marks of the Project Management Institute, Inc.

Certification Highlights

- Awarded by Project Management Institute, PMI[®], which was founded in 1969 as a Not-for-Profit Professional Association
- The first PMP[®] certification was launched in 1984. Since 2007, it has been awarded with the ANSI/ISO/IEC 17024 accreditation from the International Organization for Standardization (ISO)
- Jan 2018, there are 833,025 certified PMP[®]s worldwide come from industries ranging from healthcare, telecommunications, education, finance, construction to information technology, more than 180,000 of them are located in PRC

Examination Outlines

- 1. People (42%)** - emphasizing the skills and activities associated with effectively leading a project team
- 2. Process (50%)** - reinforcing the technical aspects of managing a project
- 3. Business Environment (8%)** - highlighting the connection between projects and organization strategy

Content that spans the value delivery spectrum, including predictive, agile and hybrid approaches, will be included across the three exam domains.

Examination Highlights

- 180 questions (the previous exam was 200) but the same number of questions will be scored
- 230 minutes to complete the exam.
- One additional break for a total of two 10-minute breaks for computer-based tests. No scheduled breaks for paper-based exams.
- Questions will be a combination of multiple-choice, multiple responses, matching, hotspot and limited fill-in-the-blank.
- Exam fee: US\$555 for non-PMI[®] member, US\$405 for PMI[®] member
- Once registered, the eligibility for examination is 12-months. You may take the examination up to 3 times within this 12-months period should you not pass in the first attempt
